Dear Isobel & Mark

Thank you so much for such
beautiful surprise yesterday of flowers,
we truly appreciate all you
did for our holiday, thank you.
Eleanor will be in soon to
enquire about New Zealand for
(August 2009) her adventure...

I enclose the trip basket -
a wonderful day out!

Many thanks, we'll be
back to Oz next year all
being well!

Best wishes
Jose Kershaw

with the coach & a
river cruise back to Circular
Quay. The driver gave
a commentary all day and
was so helpful in every way.
We have accomplished
so much in 2 weeks
in Sydney and although
Australia isn't so up to
date with Disabled Access as
us, we did well & the
Aussies really were helpful.
David even had a private
free tour backstage of
the Opera House in his
wheelchair!

Thank you so much for
all your help. We hope
to venture Down Under
again next year & Eleanor
will be in soon about
New Zealand (her dream)

Dear Isobel,

Thank you for all your
efforts put into our special
holiday. Apart from the
blips of hotel transfers & the
day trip mess up, (we eventually
went another day) we had
a great time. The Novotel
was very clean & so convenient
for Darling Harbour etc. We'd
thoroughly recommend it.
We enjoyed a day tour
with a company called
Gray hire and would
recommend them highly, we
had a really great
day in the Blue Mountains
