The world famous Kuranda train meanders past Stoney Creek Falls.

Dear Maria, as promised - one ~~postcard~~ ^{just card}
We've had a lovely time Down Under, we're

at Cairns now trying to cram ~~as~~ as much
as possible into the last few days. Sydney
was beautiful and it was a struggle to tear
ourselves away. The drive up was
spectacular, with the highlight being
dolphins and whales (distant) at Byron Bay.

Tangalooma and Hamilton Island were both
too short, so we're planning our next trip
in 4 years' time (without kids). Thanks
for all your hard work, this has been
a holiday we'll never forget.
